Dear Mum

Thank you for taking my group (Sam, Vinu, Matty ) on the amazing race on Thursday. We had heaps of fun learning about Game on and what they offer. I loved climbing up kiwi 360 and finding the clue that took us to the redwoods. I had a challenging time trying to get all the answers, but got there in the end. We were then lead to do a fun quiz at Te Puia and we had a really challenging time doing the maze and ended up coming 27th.

Once again thank you for giving up your time to come on the amazing race hope you had a fun time with us !!!

Yours sincerely
